Air distribution · Return air grilles

Return air bar grille

An aluminium bar grille for return air. The blades are adjustable, so you can set the angle to suit the room and hide the duct behind.

Part numbers

Part number	Description	Size (mm)	Unit
AS-BG-600300	Return air bar grille 600 × 300, adjustable blades	600 × 300 neck	Each

Key specifications

Neck size	600 × 300 mm
Material	Aluminium
Blades	Adjustable

General

Product type	Return air bar grille
Material	Aluminium
Blades	Adjustable
Neck size	600 × 300 mm

Overview

Bar grilles suit walls, bulkheads and ceilings where a neat, linear return is needed.
Adjust the blade angle on site to block the line of sight into the duct, or to suit the airflow path.

Typical applications

Wall and bulkhead returns · Residential ducted systems · Offices and retail · Hallway returns
