AS-CSD-M	Slot diffuser, priced per metre

Overview

Slot diffusers give a narrow, architectural line of supply air. They suit modern interiors where the outlet should be as discreet as possible.
The 2-slot range has a 125 mm face width and the 3-slot range has a 135 mm face width. Both come in 500, 900 and 1200 mm lengths. For long continuous runs, order slot diffuser by the metre.

Typical applications

Modern residential interiors · Offices and meeting rooms · Retail and hospitality · Continuous perimeter runs
